H. C. Price, of Neosho, Mo., a traveling salesman for Dettman Shoe Co., was in Mansfield the latter part of last week, and gave an interview to Dr. Riley on the strawberry business which is very interesting and ought to have a tendency to encourage strawberry growing to readers of the Mirror around Mansfield.

Mr. Price said that Neosho shipped this year, 237 cars of strawberries, of 450 crates to the car, which made 129,150 crates. Pickers were paid 72 cents per crate for picking which netted them \$92,988, so you see the pickers in the vicinity of Neosho got considerable cash for their labor, to say nothing of what the producer received, or the man who owned the strawberry patch. As a producer of real wealth strawberries will beat most other farm crops, or even dairying and poultry, and the sooner the people of the county become convinced of this fact, the better it will be for us all.

## The Worlds Fair of the Ozarks.

As time moves on the big Agricultural Fair and Stock Show of Wright County, at Mansfield, draws nearer, and the citizens are arranging for the event with a steady hand and in sufficient strength to make this years' Fair the biggest Fair yet held in Mansfield. This is an exceptionally good year for everything, and it will be easy to get up a splendid display. We want to invite our farmer friends to join us this year in strong forces and show the outside world just what a fine display can be put up. Sarah Gaskill, Treas.

Relief Fund.

P. S. I will report from time to time through the Mirror.

While the strike situation in the industrial centers has business locked, and almost paralyzed in some places, this country, in the "Heart of the Ozarks", is enthusiastic with prosperity. Rains have been plentiful all summer, and crops are good; there is a bumper fruit crop, and people generally are not feeling the strike situation. Machinery is being put in order for "The World's Fair of the Ozarks", to be held in Mansfield September 27 to 30, and you should make arrangements to be here on this occasion. Farmers should get their stuff and stack in shape and make a good exhibit. Remember this, now; the strike will be called off in a few days, and then watch the country get down to business. If you are living in the Ozarks you are prosperous this year, and you ought to be thankful and happy, "and let the rest of the world go by."
